

Catering

How It Works

All catering orders will include all necessary plates, utensils, napkins and condiments in quantities consistent with your order. We also supply all food and equipment needed to ensure food is served properly. Our team will deliver and setup your order at your requested location.

What Do We Offer

Due to Covid, all beverages offered will be bottled beverages. Utensils will be wrapped, and food items individually packaged. All catering will be customized just for you. Please reach out to Madison to see what great options we can offer you!

Ordering

We ask that all catering orders are placed no later than three days before the event. Please place orders by 2:30pm (Monday - Friday).
