## Program Policies

*Pricing is subject to change. Product substitutions will be made if selected product is unavailable.*

*3-week lead time preferred for all orders. Additional week required for international shipping.*

*BofA branded products based on store availability and pricing.*

*House-made goods cannot be shipped internationally.*

### BofA Expense Note:

Team building expenses exceeding \$100 per attendee are subject to income imputation. The per attendee expense is calculated by taking the total cost of the event divided by the number of attendees. Since these expenses are not submitted in Concur, the organizer of the event is responsible for submitting an Earning Request form in Workday. The FLU/CF can choose to gross-up the amount(s) to cover the withholding taxes to limit the impact on employees. To learn more about Earning Request forms, go to [HR Connect](#).

#### A MESSAGE FROM OUR WELLNESS DIRECTOR

The American Heart Association recommends choosing fiber-rich snacks with limited added sugars, saturated fat, and trans fat. Our Registered Dietitian has hand-selected these snacks to support your heart health.

Movement is just as important as what we eat. Aim for at least 150 minutes of moderate physical activity or 75 minutes of vigorous physical activity (or an equal combination of both) each week. Maximize your workout with a post-exercise snack and rehydrate with water!
