

Sustainability Achievements

JAN 2024 - DEC 2024

158,220

**POUNDS OF
LOCAL PRODUCE**

purchasing fresh, local and seasonal produce in support of local and regional American family farms

38,970

**POUNDS OF
SUSTAINABLE SEAFOOD**

committed to purchasing fresh seafood from sustainable sources based on the Monterey Bay Seafood Watch criteria

611,900

**STRAWS DIVERTED
FROM LANDFILLS**

purchasing of compostable straws and reduction of straws availability helps eliminate the creation of straws and helps to divert them from landfills

400,500

**PLASTIC BAG
REDUCTION**

purchasing of paper bags, limited availability at registers, and only providing bags upon request allows for us to divert plastic bags from landfills

13,935

**POUNDS OF FOOD
LOCALLY DONATED**

through many of our teams partnering with local food donation organizations, we have donated any overproduced food

5.61

**POUNDS OF CO2E
PER GUEST**

reducing our carbon emissions per guest is made possible by thoughtful menu choices, decreasing by 4.10% from 2023
