

# EVENT IN A BOX PROGRAM

# Our Event in a Box

help connect and empower teams or send a gift!

## MADE-TO-ORDER

Select from themed bundled boxes or build your own from a wide selection of branded swag, snacks & celebratory goodies.

## PERSONALIZATION

We help make the box personal - From adding Thank you notes to the team, to selecting gift items that align with your unique meeting or event.

## CONVENIENCE

Our teams work directly with FedEx for the Event Box delivery - making it simple and convenient for everyone.

# Our Event Boxes

## help connect and empower teams.

### HOW?

- Create and send a personalized package of gifts & goodies for your next meeting or send as a simple thank you to team members.
- Choose from one of our themed boxes or build your own box.
- Work 1:1 with our team to curate a perfect box.
- Providing a specially-packaged event box will drive culture and showcase support - especially in today's virtual world.

## A MESSAGE FROM: LEAH- OUR WELLNESS DIRECTOR

**Fuel your wellness experience!**

Lean proteins, healthy fats, robust flavors, whole grains, and fresh and vibrant vegetables. Strategically built from delicious, simple, and natural ingredients, all of our meals are designed to fuel you through your day. Look for the fuel logo for all Intel® Vitality Program approved meals and snacks.

Movement is just as important as what we eat. Aim for at least 150 minutes of moderate physical activity or 75 minutes of vigorous physical activity (or an equal combination of both) each week. Maximize your workout with a post-exercise snack and rehydrate with water!

## Did you know?

Miffy is the woman behind the delicious muffins you may have tried in the Pacific Northwest Cafes.

Her low sugar, whole grain muffins have become the favorite choice for many employees! Using fresh fruit, oats & oat bran...she describes her muffins as little bowls of oatmeal, just in the shape of a muffin!

Miffy's goal is to reduce 1,000,000 Pounds\* of Bananas by the year 2030 aligning with the United Nation's and Compass' Sustainable Development Goal to reduce waste by 50% by 2030.
