The app is available at both the Google Play Store and The Apple App Store. *Scan the QR Code to download and start using today!*

USING THE APP

After you create an account and select the cafe you want to order from, you can:

- Search available menus for breakfast and lunch
- Create and customize your meal
- Schedule meal pick up times
- Scan and Pay retail items (with a barcode) in the cafe

Personal information used within this app is not shared between Intel and Compass Digital Labs (CDL)
