

# Sustainable Seafood

We follow the guidelines from the Monterey Bay Aquarium's Seafood Watch Program and choose seafood that is rated "Best Choice" or "Good Alternative".

# FAD-free Tuna

Since January 2015, we have been committed to sourcing Skipjack tuna that is 100% Fish Aggregating Device (FAD)-Free in partnership with the Monterey Bay Aquarium. That means, the boat captain has to certify how and where the tuna was caught to prevent the catch and death of non-targeted fish every year.
