**Fiesta De Mayo** is our celebration of Cinco de Mayo. This Saturday and Sunday we are celebrating Fiesta de Mayo with a large array of our chef's favorite Latin American inspired dishes. We will also be serving up Chef Claudia's favorite dish on the Expo Island both days, Chile Relleno Casserole. Salsa and Topping Bar will be set up next to the salad bar to top off your entrée from any station. Chef Rogelio will be cooking up some delicious Pork Pozole and Chicken Tortilla Soup with all the fixings.

Asian American, Native Hawaiian and **Pacific Islander Heritage Month** is observed in the United States during the month of May, and recognizes the contributions and influence of Asian Americans, Native Hawaiians and Pacific Islander Americans to the history, culture, and achievements of the United States.

**Big City BBQ** is not only a way of cooking, but also an event where people come together to eat and have fun. BBQ is a prime example of food that differs vastly across the nation. The regional influence on BBQ is the strongest and most pronounced.

At **Dhaba**, we celebrate the essence of traditional Indian street food, brought to life with a modern flair. Our newest Indian food brand – a vibrant journey into the heart of India's rich culinary landscape.

**National Egg Month** in May reminds us all the egg is cracked up to be! We rely on eggs for a variety of uses. One of the world's most affordable food sources, it contains all the nutrients a body needs except vitamin C. So, if you're on a budget and want to stay healthy, add eggs to your superfood list.

**Pico Mesa** is an authentic Latin food program that incorporates convenience and house made items. Enjoy one of our Latin American Favorites.

With a focus on returning to the basics of authentic Italian cuisine, **Piccola Italia** emphasizes pristine ingredients combined simply and cooked properly.
