

What's Cookin'?

Not another virtual happy hour?!? Employees are begging for new ways to stay connected to their teams. This fun cooking experience offers more than the typical virtual meeting. In partnership with HelloFresh, our TeachingKitchen@home platform offers an interactive team building component with meal kit ingredients delivered right to the front door.

What's the Experience?

- A one-hour cooking class offering a break from the daily grind of being mom/dad/teacher/employee/social coordinator.
- Fresh ideas on what's for dinner, the class will feature an easy-to-follow recipe from HelloFresh.
- Sharpen your culinary skills and cook side by side with our Euresst Chefs and Registered Dietitians.
- Put down your keys, ingredients delivered directly to the front door!

What's in the Kit?

- Includes 1-3 recipes, 6 portions total (\$110 per person) – minimum 10 participants required
- Recipe # 1: Featured recipe, made during virtual class.
- Recipe # 2/ or # 3: 'Bonus meal' for later in the week to practice newly acquired chef skills.
- Shipping included.
