

We are happy to announce that we have opened a Starbucks at ILOC located inside of Outtakes.

The ILOC location is a “We Proudly Brew” location which is a smaller version of what you will find at our Corporate location.

We offer most of the same beverage options you would find at a fully licensed location to include lattes, cappuccinos, americanos, iced coffee, shaken espressos and teas along with refreshers and frappuccinos.

With a “We Proudly Brew” location we are not able to offer ordering or paying through the Starbucks app, or the ability to earn or redeem stars.

We can offer the convenience of ordering from our own Eatify app. You can scan the QR code to download the app.
